

Access Program Information

Rochedale State High School provides an Access Program to ensure equitable access to devices for families unable to participate in our Bring Your Own Device program for hardship reasons. Rochedale is committed to ensuring that the eLearning agenda is accessible to all students.

How will it work?

The school will loan a device to students who have qualified for the Access Program.

The loan process will be as follows:

- Eligible students present to the Access Room with identification
- Students will sign out a device for the day
- At 2:55pm, students return the device to Access Room and sign it back in.

Access Program Agreement

All eligible families participating in the Access Program will need to complete an Access Program Agreement. Students will not be able to access the loan program without a completed form. Forms will be issued to eligible families at the completion of the application process.

How do I apply?

We invite you to complete this application form and submit to Donna Bower (Business Manager) via email –

BSM@rochedaleshseq.edu.au. All matters will be confidential and the application will be considered to determine eligibility for support.
