Selection Process			
<ol style="list-style-type: none"> Interschool sport selections occur through SoBs, where students will be able to select three sport preferences. Students who select to trial for interschool sport teams will be notified of a before or after school trial time, prior to the start of each season. Students who are successful in being selected to represent the school for interschool sporting teams will be notified in person and by email; a permission form will be provided via QParents. Students alternatively can see the sports coordinators window during its designated opening hours for a hard copy permission form. Permission forms will be required to be completed and returned within 7 days of notification. Unsuccessful students will be allocated to their 2nd or 3rd recreational preference. <p style="text-align: center;"><i>Please note: selection is based off trials and finance eligibility.</i></p>
