### **UNIFORM SHOP**

The Uniform shop is run by the P&C. It is open every weekday morning during each school term, as well as special opening times for Back-to-School. The uniform dress code is set by the school based on feedback from the school community. We take pride in our school and show this by wearing the correct uniform and shoes every day. The school uniform policy can be found on the Rochedale State High School Website and updates are put in the school's newsletter. **All price lists and policies can be found by visiting the RSHS Uniform Shop webpage listed above.**

### **OPENING HOURS**

Monday to Friday 8am – 9am and during 1<sup>st</sup> break. No appointment is necessary during normal school term times. However, it is essential to book an appointment online for Back-to-school opening hours. If you cannot make it to the Uniform Shop during these times orders may be placed via the Qkr! App which is free to download to your phone.

### **SIZING**

The uniforms have been sourced from a reputable Australian company endorsed by Education Queensland as a preferred supplier. Uniform sizing can be very different to the clothing we usually buy for our children, so it is essential that all items are tried on prior to purchase. The material is great quality, durable and designed to last longer. If you have a student who may require an irregular size for their age group, please speak to the convener as early as possible to arrange a special order.

### **ORDERING**

We place our Back-to-School orders in June, to ensure we have everything we need on hand. Space is at a premium and we must also adhere to the Education Department's purchasing guidelines and not overstock, this can mean we run out of certain stock from time to time. With over 1400 students at the school it is not always possible to know in advance what sizes and quantities of each size will be needed for Back-to-School. Whilst every effort is made to ensure we have all sizes on hand, it is possible we may run out of some stock. If this occurs you will be asked to place an order with your name, mobile number and email so we can contact you when the items requested have arrived.

### **SECOND HAND UNIFORMS**

We also help families with the re-sale of their second-hand uniforms through the uniform shop. There is a small charge of \$4 per item and you will receive your money once all the items have been sold. To view the available second-hand items, please visit the uniform shop during opening hours.

### **VOLUNTEERS**

The Uniform Shop welcomes all volunteers. Whether it is at the Back-to-School times or during regular opening hours. Any assistance is accepted and very much appreciated.

### **BACK TO SCHOOL**

We run an appointment-based system for Back-to-School as it is the busiest time of the year, it is much easier for parents and students to book an appointment when they need to try on new uniform items. We usually run these appointments during the last few weeks of term 4 and a week or two prior to the commencement of Term 1. If there is no need to try items on and you wish to make a purchase during these times you are more than welcome to do so, and you will not need an appointment. However, to save yourself time we ask that you make the purchase via the Qkr! App the day prior to your proposed collection day and we have the order ready when you arrive.

### **CONTACT**

Please direct all uniform enquiries to the Uniform Shop Convener by email at [rshsuniforms@gmail.com](mailto:rshsuniforms@gmail.com)
