Information Letter

Dear Parents and Caregivers,

This letter contains important information about the Student Resource Scheme (SRS) including how the scheme operates and the annual participation fee. The Queensland Government supports students' education by providing funding for:

- Instruction, e.g. teachers
- Facilities, e.g. buildings, amenities, furniture
- Administration, e.g. staffing and resources to administer the operations of the school.

Funding does not extend to individual student resources such as textbooks, equipment for personal use, and items used/consumed by the student in the classroom. Supply of these items is the responsibility of parents.

To provide parents with a cost-effective alternative to purchasing learning materials and/or resources elsewhere, Rochedale State High School operates an SRS.

The scheme ensures that students have the resources required for them to engage with the curriculum for their education and saves parents time and money in sourcing the prescribed materials elsewhere. Savings are gained through the school's bulk purchasing practices and hiring arrangements. The scheme is not used to raise funds for other purposes, and revenue collected through the scheme is applied only to the resources and operation of the scheme. The financial impact on parents and whether the school can absorb any of the cost has been considered before determining the SRS fee.

The scheme's operation, resource inclusions and participation fees were approved by the school's P&C Association at the meeting held on 16th September 2025.

SRS Participation

The objective of the scheme is to provide a convenient and cost-effective way for students to access the educational resources necessary to enhance their learning experience at school. The Department encourages parents to participate in the scheme. Participation in the SRS is optional, and no obligation is placed on a parent to participate. Please note, once consent is provided, participation is for the duration of your child's enrolment at the school. **If you have already provided consent and don't wish to change consent**, you will not receive another consent form and there is no further action. If you wish to change consent, you must contact the school for further information. For new students, parents are required to complete the form on enrolment. If no participation form is received, the parent is then required to provide the educational resources listed in the SRS Resource List for their child by the start of Week 3, Term 1. A parent can opt in or out of the scheme in subsequent years and must contact the school to change this consent. More detailed information about the SRS can

Resource Inclusions

All resources included in the SRS are detailed in the attached SRS Resource list. This list is also available on the school's website. This is a comprehensive list of all resources included in the scheme and their associated costs. Type of Resources provided
Generally, the three types of resources that could be included are:

- Owned – these items are retained by the student and used as required (e.g. stationery, exercise books, student diary).
- Used – these items are used/consumed in class by the student (e.g. industry technology/cooking/art supplies). – work/items produced from these resources will remain the property of the student.
- Hired – these items are hired to the student for their personal use for a specific period of time (e.g. textbooks, musical instruments, laptops). – Hired items must be returned to the school in good condition at the end of the hire period or if the student leaves the school. – A repair or replacement cost may be charged to the parent for any hired items that are damaged or not returned.

Costing Methodology

The schools SRS fee is calculated based on:

1. A flat fee for all students in the school, OR
2. A general fee for all students or a cohort group plus additional fees for individual subject inclusions. Please refer to the SRS Resource list for the associated costings.

The SRS Participation Fee

The SRS fee payable for **2026 is \$450.00 for students in Year 7 to 12**. This amount includes the TRA component which has been deducted to reduce the SRS fee payable. In addition to the SRS fee, families will be invoiced for additional activities including excursions, extra-curricular, excellence programs, sport, music and certificate courses as per the Department of Education's user pays policy.

The Textbook and Resource Allowance

The Department of Education provides a Textbook and Resource Allowance (TRA) to assist parents with the cost of textbooks and other education resources for eligible Years 7 to 12 students. For those students who are eligible to receive the TRA, the TRA will be applied to reduce the cost of participation in the SRS. Information on the TRA can be found on the department's website (<https://education.qld.gov.au/about-us/budgets-funding-grants/grants/parents-and-students/textbook-resource-allowance>).
